I agree that Camp Canine is not responsible for lost/damaged property belonging to my pet or me. If my pet does any damage to Camp Canine LLC property, I will assume financial responsibility.

I also understand that I am solely responsible for any harm caused by my dog while my dog is at Camp Canine. I also understand that during normal dog play, my dog may sustain minor nicks, scratches or even a bite wound. All play is carefully monitored but these types of injuries still may occur.

I further understand and agree that in admitting my dog, Camp Canine LLC staff has relied on my representation that my dog is in good health and has not harmed or shown aggression or threatening behavior towards any persons or any other dog unless otherwise noted on the Pet Profile.

I further understand and agree that Camp Canine LLC staff members and volunteers will not be liable for any problems that develop provided reasonable care and precautions are followed, and I hereby release them of any kind of liability.

If your dog has the need to eliminate prior to enter the building, it is permitted in the designated area only. Please be sure to clean up after your dog.

Please do not allow your dog to approach any other dog or person while on Camp Canine's premises (except for the employees). All the dogs on the premises may not be dog and people friendly and behaviors can be influenced due to the presence of owner's and the restraint of the leash.

I also understand that I should not bring my dog to Camp Canine LLC if he/she is displaying any signs of illness. I also understand that although the Bordetella and Canine Influenza Vaccines are a requirement for Daycare and Lodging, that these and other illnesses can still be caught while my dog is at Camp Canine LLC and I will be responsible for all veterinary expenses associated with these types of illnesses.

Camp Canine LLC reserves the right to permanently remove any dog from the daycare program at any time. Although your dog may have been originally accepted into the daycare program, if behaviors change over time and become unacceptable, you will be notified that your dog will no longer be allowed to attend.

Any dog not picked up by closing time will be boarded overnight at the owner's expense. (If the dog was attending the daycare program, you will be charged for a full day of daycare in addition to the overnight lodging rate.) If any dog is not claimed within 5 days from service, said dog will be considered abandoned and appropriate actions will be taken at owner's expense.

If you withdraw from a Training Class there are NO REFUNDS. If we have to cancel a Training Class, we will make every effort to contact you at the phone numbers you provided.

While the groomer's at Camp Canine do their best to be as careful as possible, there are times that a dog may sustain an injury due to sudden movement or because the dog does not remain still during the grooming process. We shall not be liable for any such injuries.
